

Greetings From Your Mermaids IDC-IE Information Collection Team

For the purpose of your applications to PADI for your Instructors Examination, we will automatically fill in the forms for you and save you time during your IDC. As you know, you need to verify that you will be attending the IDC one week in advance. Your attendance will be automatically verified by filling in this file and returning it. After you have returned the file, please check the IDC Candidate List on the Mermaid's course information board for a signature of one of our Course Directors beside your name.

Please return the file as soon as possible. It is necessary for you to fill in **ALL** areas. If you have any difficulty, please contact us. Do not send any unfinished form. If you have no PADI number, please fill in that area with a "P". PADI recognizes this as "Pending". If you have no current occupation, please fill in this field with "N/A". IDC and IE dates are on the information board at Mermaids. If you do not have all the information about your certifying instructors or their shop numbers you can log into the PADI website at <https://www.padi.com/my-padi/default.aspx>, go to online services-dive check, and fill in the required information.

Once you have filled in **ALL** the information, please save the file by using your own name as the file name, then simply attach the file and return it to IDC@mermaiddive.com. When returning the file, please use your own email address so there is no confusion of who sent what.

Many thanks for your co-operation. If you need more information on how to save or send the file, use the following steps:

1. To save, right click on the file name "Student Data Collection" and click on "Save As". In the file name field, type your name as it will appear on the form. (This will be the name that PADI currently has your records listed under). Save the form to your Desktop or other folder where it can be relocated. Click OK.
2. Once fully completed and saved, open your email application, create a new message, and enter your name into the Subject line. Click on Attachments and select the completed file. Send to IDC@mermaiddive.com.

Be Happy

It's Easy
